WALT: recall multiplication and division facts and use them to solve simple problems.

Miss Apsey thinks that a set of any 3 numbers can make 2 multiplication and 2 division number sentences.

Is she always, sometimes or never right? One has been done for you.

10, 2, 5

2 x 5 = 10

5 x 2 = 10

10 ÷ 5 = 2

10 ÷ 2 = 5

9, 2, 18

10, 6, 16

5, 5, 25

5, 4, 20

10, 10, 100
