Once Upon a Time

Reminder!

Home Learning is due in

by

Monday 3rd February

Our Learning

We've had a message, there are problems in Fairy Tale Land! The Three Pigs need a bigger, stronger house to live in. The Gingerbread Man would like a vehicle that can get him across the river. They both need our assistance to decide which design and materials would be best. To help, the children will need to know the stories and the characters really well and learn about materials and their properties.

PSED
(Personal, Social and Emotional Development)

They will explore what they are good at, both at home and school.

They will set themselves simple goals and with help, try to achieve them.

They will explore feelings through discussion and the story of The Three Little Pigs.

They will find out about people who help them in school and what they do.

Physical Development

They will explore balances using different numbers of points of contact with the floor.

They will create very basic floor sequences which include point balances and travelling.

They will be learning to form curly caterpillar etters correctly— c, o, a, d, g, s, e, f

Literacy

They will be exploring traditional tales through role playing stories and retelling stories using actions.

They will listen to, comment on and ask questions about stories.

They will write their own version of stories and make story maps.

They will learn more letter sounds and use these to help them read and write simple words.

They will learn how to write more letters correctly and read more 'key' words.

Thinking

They will use their imagination to generate new ideas, make connections and produce a model that meets the criteria.

Home Learning

Pupil Challenge: Find pictures or go on a walk to look at different types of houses to get ideas for your Three Pigs house.

Parent Challenge: Provide resources and equipment such as paper, pens, pencils, junk modelling, card, glue, paint etc. to help design or make a house.

Home Challenge: Help your child design and draw or make the perfect house for the Three Pigs. Think about which materials would be best and why.

Your Three Pigs house
In school by
Monday 3rd February

Expressive Arts and Design

They will be exploring high and low sounds using voices and instruments.

They will make a pig using clay.

They will be painting story characters and acting out stories.

Creativity

The children will show curiosity, asking 'what if' questions, playing with ideas and searching for alternative solutions.

Mathematics

They will be learning to read, write and order numbers to 20.

They will learn that once a group of objects has been counted and then rearranged, the total remains the same.

They will be learning to say 1 less than a given number.

They will be learning number bonds to 5.

The children will be learning to share amounts equally.

The children will be using mathematical language to support their reasoning skills.

They will learn about ordinal numbers i.e. 1st, 2nd, 3rd.

Knowledge and Understanding of the World

The children will be naming and sorting different materials and exploring which ones are used to build houses.

They will look at houses in the local area to see how they are the same and different and find out about houses around the world.

They will design a Gingerbread Man on the computer using 2Paint a Picture.

They will design and make a vehicle for the Gingerbread Man to escape.

They will make and decorate a Gingerbread Man.
